2018 – 19

Drinking Water Facility Railway Station warthi

Providing safe drinking water is essential for public place like railway Station to ensure the comfort and wellbeing of travellers. Anurag Adhyapak Mahavidyalaya has implemented such a project during the session 2018-19 on 06/04/2019 providing safe Drinking Water through earthen pots (clay pot or matkas) is a traditional and eco-friendly method. It was a commendable effort to promote eco-friendly practices and provide clean and cold drinking water to Railway Station visitors. 36 students were actively participated in this project.
