Student Satisfaction Survey for the Year 2018-19

Student Satisfaction Survey (SSS) on overall institutional performance (Institution may design the questionnaire) (Results and details be provided as web-link)

The primary 'GOAL' of higher education is creation of knowledge and propagation for the development of world through innovation and creation of prepared minds of students. Hence, higher education institutions. Our Institution has administered student satisfaction surveys in order to elicit student opinion and perspective regarding institutional environment, programs, and services. We have prepared Student survey forms with certain questionnaire by considering the following factors:

- Efforts of a teacher to explain particular knowledge and skills to be assessed.
- Seminars and Test series organized.
- Respect and concern shown for students as individuals.
- Willingness of staff to offer help and advice to students.
- Results are displayed by the college.
- Motivation and inspiration provided for learning.
- Development of your skills of analysis and critical thinking.
- Provision and availability of relevant subject materials and resources.
- Amenities provided in the college.
- The campus is green and eco-friendly.
