**Student Satisfaction Survey for the Year 2019-20**

**Student Satisfaction Survey (SSS) on overall institutional performance (Institution may design the questionnaire) (Results and details be provided as web-link)**

Higher education institutions are increasingly recognizing and are placing greater emphasis on meeting the expectations and needs of their students. So, successful completion and enhancement of students' education are the major reasons for the existence of higher educational institutions.

Higher education institutions the primary goal of higher education is creation of knowledge and propagation for the development of world through innovation and creation. of prepared minds of students. This positive development in higher education shows the importance of educational institutions understanding student satisfaction in a competitive environment.

We have prepared Student survey forms with certain questionnaire by considering the following factors:

- Efforts of a teacher to explain particular knowledge and skills to be assessed
- Seminars and Test series organized
- Respect and concern shown for students as individuals.
- Willingness of staff to offer help and advice to students.
- Results are displayed by the college.
- Self-Motivation and sense of responsibility increases
- Development of your skills of analysis and critical thinking.
- Provision and availability of relevant subject materials and resources.
- Amenities provided in the college.
- The campus is green and eco-friendly.
- Feedback is given Every activity evaluated by mentor.
